Project Description

Please provide a brief description of your project (no more than 150 words) outlining the nature of your project, your prospective timeline, and what you hope to access at EMMEDIA.
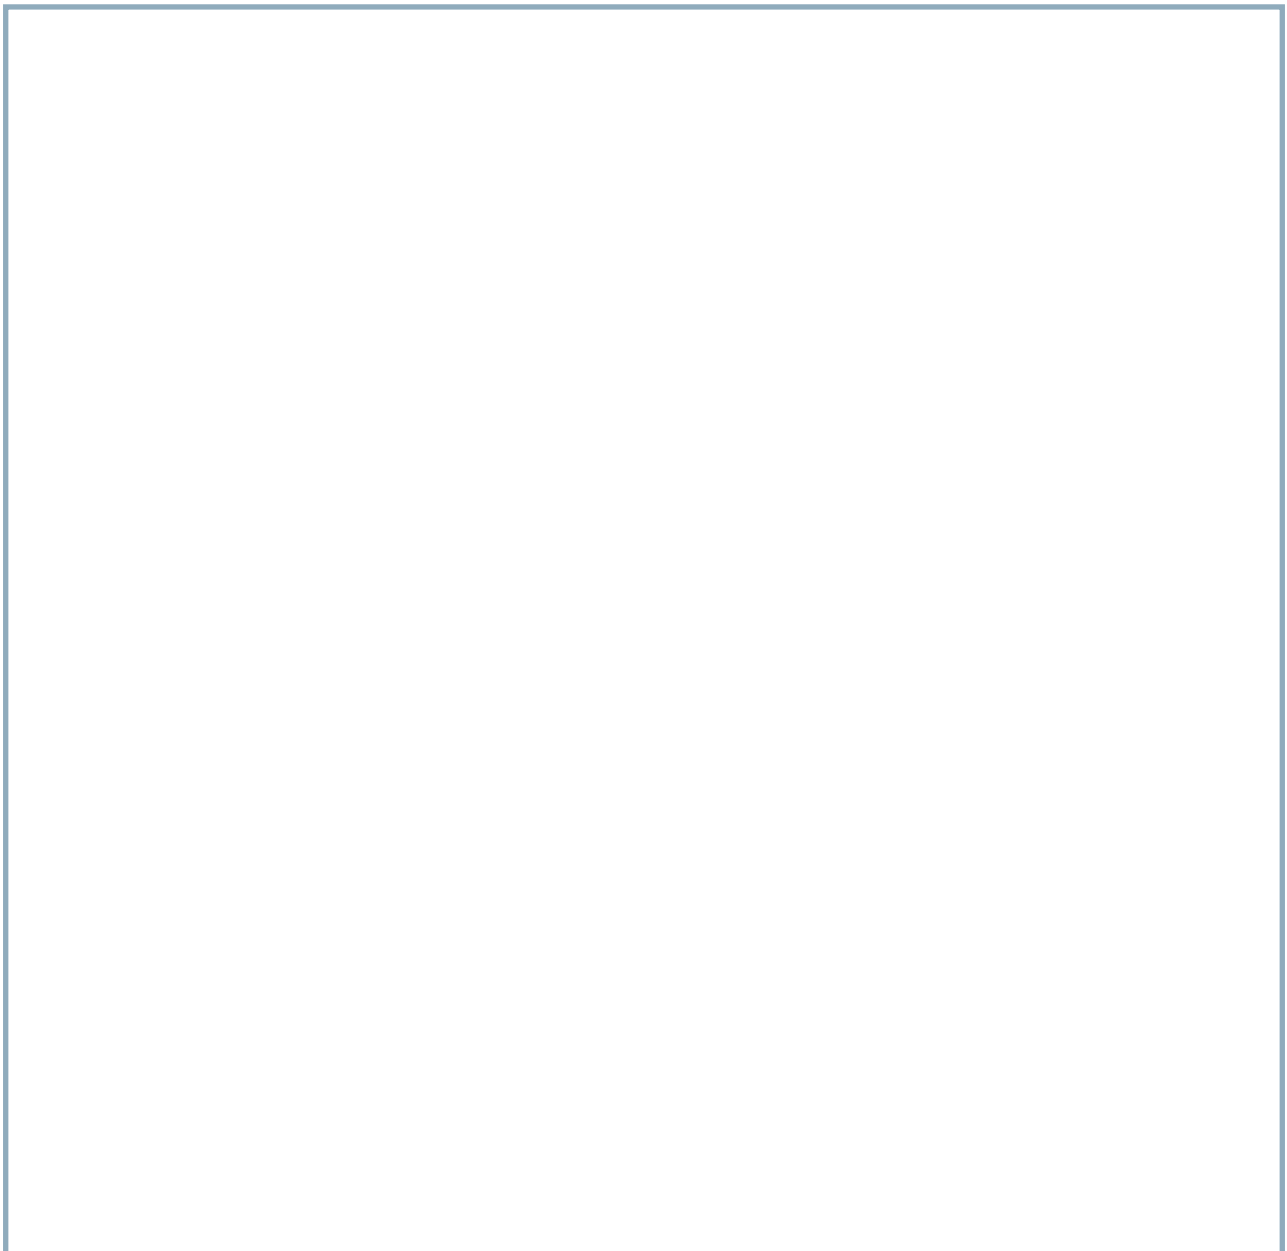

Production Access Application

Extended Description

Please provide a detailed description of your project (no more than 500 words).
**Information that must be included**:

- Project type (film, music video, or long-form media art piece of the like)
- Artistic vision (reference works if applicable)
- A detailed description of what you hope to access at EMMEDIA and why
- Additional aid from EMMEDIA (technical assistance, crewing, grant applications etc.)
- Basic deliverables list (length, resolution, format and codec, aspect ratio)
- Expected results and benefits

Production Access Application

Projected Timeline

Please provide a detailed outline of your project timeline. This should include all phases of pre-production, production and post-production that EMMEDIA will be involved with and dates/timeframes attached for each.
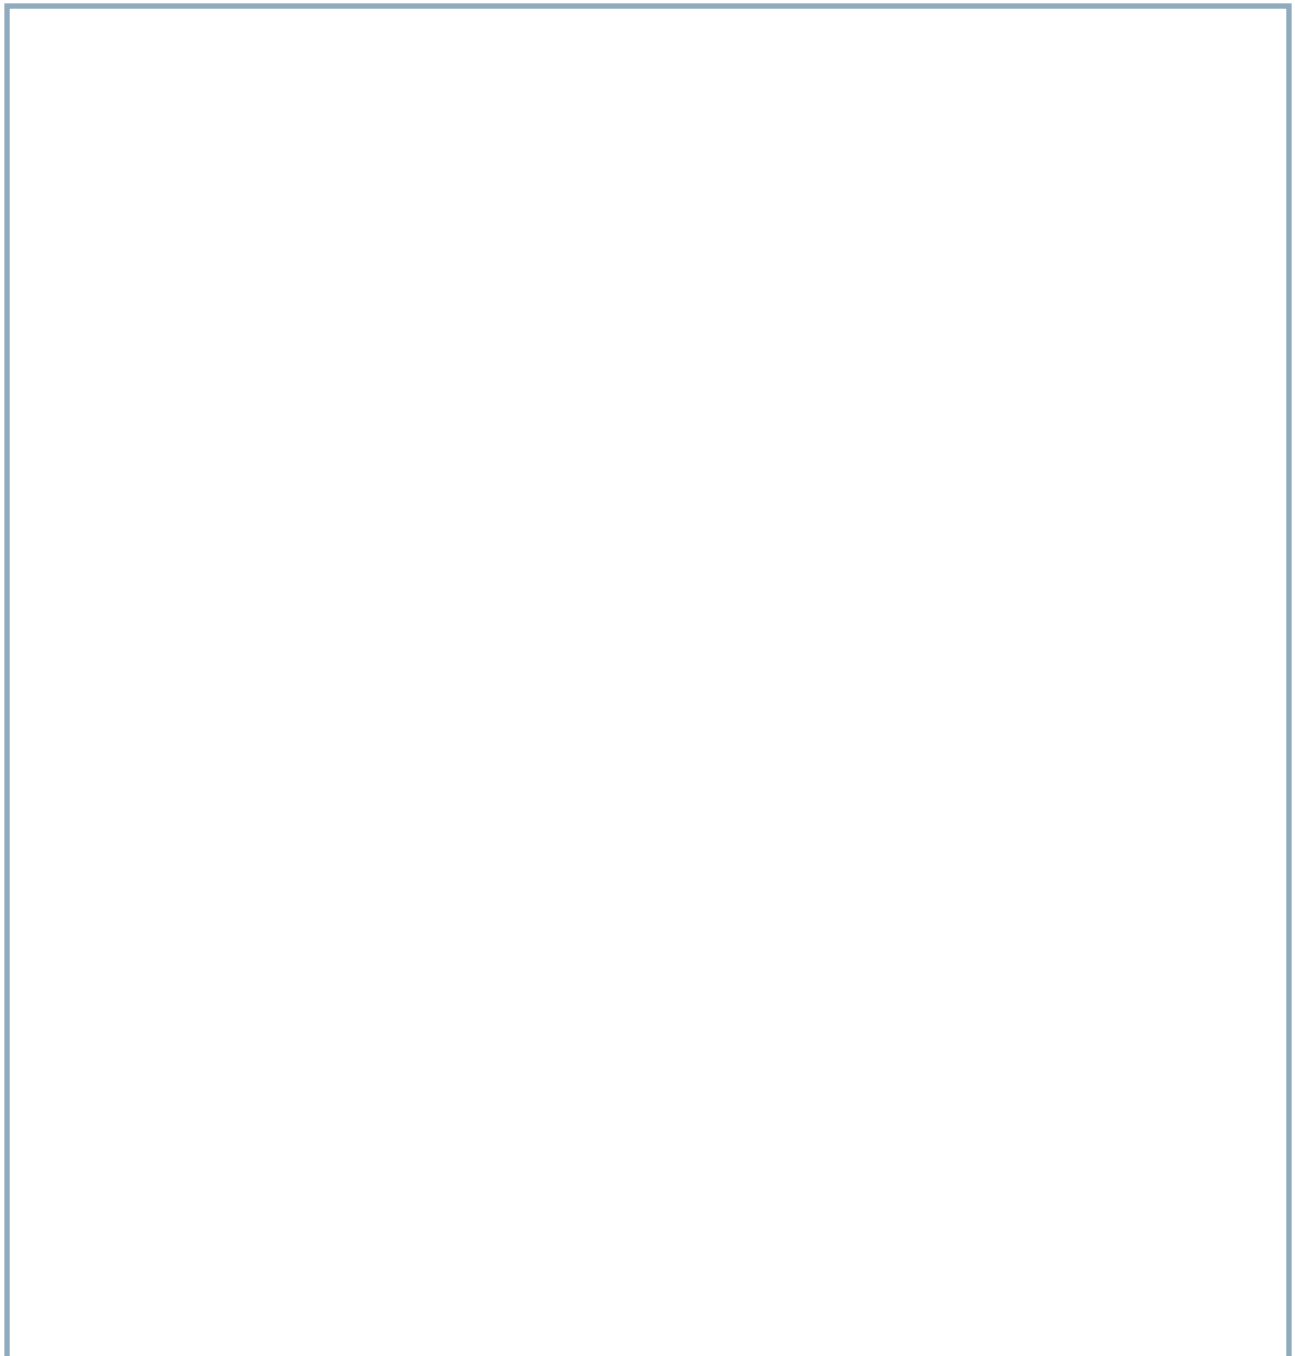

Production Access Application

Projected Budget

Please provide a budget outlining the monetary value of all project expenses. This should include the theoretical budget of all resources accessed at EMMEDIA **(must not exceed $4000 in value)** as well as any additional expenses from external sources (please specify which external sources you hope to acquire financial assistance from) if applicable.
(Equipment/suite/screening room rental prices can be found at: http://emmedia.ca/production/)***

***For items not listed on our website, please contact production@emmedia.ca for pricing

Production Access Application

Additional Content

Please attach to this application the following documents in PDF form:
- A copy of your current artist CV
- A CV for any additional artists currently attached to the project
- A copy of your script, storyboard or formal treatment
- Any additional materials you would consider vital to our understanding of this project

---

Community Impact

How do you believe this project will contribute to the Calgary artistic community? Explain.
(No more than 200 words)
